

- Welcome: Paul Hagseth, TNA President:: Call to order
- Election of officers.
Member moves to accept the slate (attached).
- Officer McClellan, NPO:: 7th at midnight on Lynncrest car was taken at gunpoint; Calloway's had a drunk driver incident. Car breakins, shipped items taken from front porch, call and report immediately: 817-392-4222 non emergency. Can email Officer McClellan:
- Citizens Police Academy: narcotics investigation, patrolling, etc., in a 12-week course, for citizens to become citizens on patrol,
- Log volunteerism because the city is given grants based on citizens' volunteer hours.
- Marshall Shepard, Vice President:: One-Year Tree Update:: October 2018 was our neighborhood tree project planting; all the trees have been well cared for. As of December 2019, we can begin removing the stakes so the tree can begin to grow on its own. Continuing focus on trees moving into 2020; this year will be pruning and maintenance of the trees. Also the new sidewalks have been installed and completed; neighborhood will work with city to prevent tree leaves falling into the creek, etc.
- Bryan Byrd, City Councilman:: Michael Crain on his behalf: Chief Ed Kraus has been made permanent police chief for City of Fort Worth. Now that he has been installed as permanent chief, he can begin implementing strategies and policies that have been needed but, as interim, he has been unable to do until now. The city full supports Chief Ed Kraus.
- Paul Hagseth, President::
- Halloween party was quite large this year, we had a great turnout. We had several families from other neighborhoods come, and the Halloween party sheds a great light on our great neighborhood.
- There have been egrets spotted in and around Tanglewood trees. Suggestions for how to deal with them from resident: you can scare the egrets away by throwing a tennis ball directly up into the tree or banging dish pans together, as noise scares them away.
- Ed Adams, Treasurer:: the budget and finances are available for viewing in the lobby. TNA will be delivering invoices to every home in the NA for neighbors to join and pay dues.

Move to adjourn.
